November/December 2009 – Australia for Jesus

Special Holiday Edition

Greetings in the name of Jesus, our Messiah, the King of Kings. We trust that during this special time of year when we remember how good God has been to us as we thank Him for His bountiful blessings. We also want to say a very Merry Christmas to all of our faithful supporters and prayer warriors. We are still planning to leave sometime around January 2010.

Our support is still sitting at 81%. We know that God is working in hearts of pastors where we have been recently. We are praying for another 700.00/month to come in this month so we can shout the finish line is in sight. We need to get our final support in very soon so that it will not hold us up.

Continue to pray that the visa process will go smoothly. We plan during the month of November to be in North Carolina and South Carolina. If you would like for us to come and give an update of our progress, please give me a call at (864) 457-6293. Our Bible Institute is going really well. As of this newsletter, we have over 100 people that have enrolled in our Online Bible Institute. We are about ready to enter a new phase of this ministry by going live over the Internet where we can reach literally thousands of people at one time. Also, our Nursing Home ministry is going very well with some salvation decisions and other decisions. Please continue to pray that we will be able to continue to follow the Lord's leading in this matter.

We surely thank each and every one of you for your continued prayers and support during these final days of deputation. We are praying that it will be over soon. Over the miles, we have found that God's people are still being faithful to help and to encourage us as we try to do to them. Keep being faithful during this time of economical troubles across America. God will reward your faithfulness to His Ambassadors as they are being faithful to His Word.

May the Lord richly bless each and every one of you. We wish you all a Happy Thanksgiving and a Merry Christmas to all of you.

In His Service,
Wesley and Erin Pittman
